OUR VISION

Our vision is Customer Satisfaction. Our technique is to reduce costs, meet schedules and improve performance by working as a team and continually improving the effectiveness of the quality management system.

OUR MISSION

We are committed to ourselves by practicing safe behavior and creating an environment of integrity, initiative and growth. We are committed to creating value for our customers through a partnership of service and innovation.

Safety First (HSE)

RAWABI BAINUNA leads our industry in safety. On every job site, we follow a rigorous safe-work program that meets or exceeds all government requirements for employee safety. Our goal is zero accidents, injuries and incidents at the mills we service. We attribute our excellent record to our behavior-based observation program, strict adherence to safe-work procedures and a full-time safety team that works at site locations.

Our facilities carries 100% compliance and performance. We go beyond requirements with our on-site and Continuous Improvement programs. Together these efforts generate quality, efficiency and cost-savings for our partners. Our programs grow in response to

We have an exemplary reputation for doing business with integrity and according to the highest ethical standards. Integrity is ingrained in every aspect of our business culture. From administrative offices to our on-site facilities, our word is our guarantee.

We also take seriously the requirement that every employee comply with all applicable laws and regulations as well as our ethical code of conduct and conflict of interest policies.

ABOUT US

RAWABI BAINUNA TRADING & CONTRACTING LLC (RBTC) is a limited liability company formed in the Sultanate of Oman in the year 2002. RBTC has been recently taken over by a new management with vast experience.

RBTC is a 100% Omani SME Company accredited with Riyadh Registration. The vision of RBTC is to promote national participation in key areas wherein local talent can replace foreign labour force and ultimately attain in-country value addition.

With the intent of revamping and expanding the area of operations, the company has embarked upon providing reliable and high value services in a broad range of activities including Painting, Insulation, Scaffolding, Equipment Hire, Manpower Solution, Electrical Distribution & Transmission and Trading amongst others.

The primary focus of the company is in sectors like Construction, Oil & Gas, Steel and Petrochemical Industries where we have been successful in developing relations with some prominent clients within a very short period.

Our highly experienced operations management team carry out extensive surveys of all tasks undertaken and formulate

strategies which are safe, environment friendly and cost effective in line with the expectations of our clients.

Efficient, time bound and cost effective delivery of services are our top priorities and we make no compromises in ensuring safety and setting high standards for environmental protection.

RBTC management and team are continuously focused on developing innovative ideas and implementing them to add value to our services and create value for our customers.
